## Profile

I have a degree in Computer Engineering from the University of Santiago de Compostela, and I am a master's degree student in Videogame Development at the Complutense University of Madrid.

Since I stumbled upon coding tutorials back in 2016, both my creative drive and my curiosity have always been the motors that have motivated me to investigate what developing user-oriented software entails.

## Technical knowledge

- Web development
- React JS
- Unreal Engine 4
- C ++
- Java and JDBC
- Unity and C#
- OpenGL
- Data storage and SQL
